## Decorate your home with light

Take a break from elaborate designs for simple lights. The Philips myLiving Limia table lamp captivates with its simple shape and smooth finish, embracing minimalism. Its white glass housing and convenient switch add to the charm.

### Sustainable light solutions

- Energy saving
- Warm white light
- Philips bulb always included

### Special characteristics

- On/off switch on cable

**PHILIPS**

# Highlights

## Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

## Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## On/off switch on cable

With the switch discreetly integrated into the cable, you can easily switch the lamp on and off.

# Specifications

## Design and finishing
